Work experience

FOUNDER AND OWNER OF ENGLISH SPEAKING CLUB

«TeachHouse» | 2019 - 2021

Founded and owned an English-speaking club for people of all ages, who see the value in learning from native English-speaking tutors. Starting this business from the idea phase all the way through running many classes per week, has provided me with the experience from multiple sides: marketer, web programmer, sales manager, and entrepreneur.

WEB PROGRAMMER AND MARKETER IN MARKETING AGENCY

«Onion» | 2020 - 2021

With team of web developers founded and owned agency «Onion». Designed, created, and implemented multiple websites working primarily as a front-end and back-end developer. In addition to hands-on development, I was also responsible for marketing and sales focusing mostly on the business advertisement space via Instagram and Facebook.

Education

KHARKIV POLYTECHNIC INSTITUTE

2nd year student of "computer engineering and technology" faculty | started studying on September 2021 | Graduating on June 2025

Currently focusing my studies on both "Computer Engineering" and "Modern Programming. Mobile Devices and Computer Games" for achieving great career growth in web development.

SCHOOL №26, NIKOPOL, DNEPROPETROVSK REGION, UKRAINE

Graduated Summer 2021 from mathematical specialized class

- Achieved an overall grade of: 11.2 and with a GOLD Medal
