## Work experience

### FOUNDER AND OWNER OF ENGLISH SPEAKING CLUB

«TeachHouse» | 2019 - 2021

Founded and owned an English-speaking club for people of all ages, who see the value in learning from native English-speaking tutors. Starting this business from the idea phase all the way through running many classes per week, has provided me with the experience from multiple sides: marketer, web programmer, sales manager, and entrepreneur.

### WEB PROGRAMMER AND MARKETER IN DIGITAL MARKETING AGENCY

«Onion» | 2020 - 2021

With team of web developers founded and owned agency «Onion». Designed, created, and implemented multiple websites working primarily as a front-end and back-end developer. In addition to hands-on development, I was also responsible for marketing and sales focusing mostly on the business advertisement space via Instagram and Facebook.
